Ask for coupons in the Pony Contest.

Lancaster must be on the "Dixie Short Route."

Strawberries this week at \$2.00 per crate. W. E. Moss.

Subscribe for the Record and get 1,000 votes on the pony and cart.

The pony contest will close next Saturday, when the first prize will be awarded.

Pay your subscription to the Central Record and 1000 votes will be given you for every dollar paid.

If my strawberries satisfy you, tell your neighbor, if not tell me and I will make them satisfactory. W. E. Moss.

Only two more days and the first prize pony will be awarded. Help make your favorite happy by winning this beautiful pony and cart.

Every user of the telephone has to have the same determination Grant had when he said "I will fight it out on this line if it takes all summer."

The Perils of Pauline promise to be as thrilling as the exploits of Elaine which says much for its thrills. Pearl White is a splendid actress and very popular with "movie goers".

America must take care of her own rights, her own citizens, her own commerce; and she must act upon the perfectly reasonable supposition that Germany will do to America exactly what she has done to Belgium and France, if she has the power. The neutrality of Belgium was protected by a treaty to which Germany was pledged, to which it was one of the parties. It was the guardian of Belgium neutrality, and it devastated Belgium.

### BLUE LICK VS PAINT LICK.

Next Saturday afternoon at Paint Lick, the Blue Lick ball club will cross bats with Paint Lick. This should be one of the best games of the season and a good crowd should go out to see this game and help root for their favorite.

### SUNDAY SERVICE.

The Sunday school at the Christian church will begin promptly at 9:30 o'clock and entire services will be over at 10:30 in order to give every one ample time to attend the Baccalaureate service at the school Auditorium next Sunday morning.

### NEW CLERK.

Mr. Oppie Brown, recently of Stanford has accepted a position at McRoberts drug store and assumed his duties there last week.

Mr. Brown is a recent graduate at the Louisville Pharmaceutical school and takes to his duties like an "old timer".

### LOSES HORSE.

One of the hearse horses belonging to Mr. J. A. Beazley died last Sunday night, of acute indigestion. This is the second horse Mr. Beazley has lost from his hearse team, and both being very fine animals, his losses have proven very serious. Here's hoping his luck may change.

### COMMITTEE APPOINTED.

Mayor L. G. Davidson, by order of the board of city council at its last meeting, has appointed a committee to investigate the advisability of municipal ownership of the Electric Light plant and this committee will visit Danville, Harrodsburg and Nicholasville tomorrow, Friday and report back to the next meeting of the council. The committee is composed of Mayor L. G. Davidson, R. P. Gregory, J. H. Dalton, W. O. Goodloe and Dr. J. A. Amon, members of the city council and J. E. Stormes and H. V. Bastin, as representatives of the commercial club.

### A WORD TO GRADUATES

Ye Graduates—Do not let your diplomas make fools of you. Do not imagine that because you are educated that it will be degrading for you to engage in any of the useful avocations of life. Education is a good thing. An educated farmer ought to be a better farmer than one without education. An educated carpenter ought to be a better mechanic than one not educated. Education, however, without practical, every day common sense does not accomplish much. Education that fills its possessor with a false pride, that leads him to elevate his collegiate nose to all labor outside the professions is poor stock in trade. Education is just as honorable in its shirt sleeves, working at some of the useful trades, as it is in broadcloth, pounding in a pulpit or loafing in a clientless lawyer's office. When you get over the "threshold of life" and out on the "ocean of time" you will find unless you labor perseveringly you will be crowded out of the procession by some hustling, practical, hard working fellow who never saw the inside of a college building. It is true manhood, sterling integrity, indomitable pluck, and hard work, and not diplomas latin, that makes the wheels go round and the world move.

### DECORATION DAY

Observed by Odd Fellows Last Sunday.

Nearly one hundred Odd Fellows reported at the hall last Sunday afternoon and marched in a body to the Baptist church where memorial services were held, conducted by Rev. F. M. Tindler. After the services the entire body marched to the cemetery where nearly sixty graves of departed brothers were fittingly decorated. Mr. R. H. Tomlinson conducted the services at the cemetery and in his usual impressive manner.

### PONY AND OUTFIT

To Be Awarded Saturday

The contest for the first prize in the pony contest will close Saturday afternoon June 5th at three o'clock sharp and no coupons will be counted after that time. Immediately the votes will be counted by disinterested parties and the PONY, CART and HARNESS will be awarded to the lucky boy or girl having the most votes, as the first prize winner. The second prize will be awarded Saturday July 3rd, which will be the beautiful pony colt. The winner of the first prize cannot compete for the second prize.

### COMMENCEMENT EXERCISES

Of Lancaster Graded School.

The commencement exercises of the Lancaster High school have been announced for Thursday June 10th and already handsome invitations have been issued for this event. Beginning with to-morrow night the Senior play "Mose" will be given by the entire senior class and promises to be one of the chief events of the season. All the entertainments will take place in the school Auditorium and the following is the order of entertainment.

Senior play, "Mose" Friday evening June 4th at 7:30.

Baccalaureate sermon, Sunday morning June 6th at 11 A. M. Address by Dr. J. L. Clark, Pres. Wesleyan College.

Declamatory contest by representatives of the four high school grades, will take place Monday evening June 7th. Four boys and four girls will take part in this contest and \$5.00 in gold will be awarded to the winner.

Operetta "Princess Chrysanthemum" will be given by the pupils of Miss Smith and Miss Morris, Tuesday evening, beginning promptly at 7:30.

The pupils of Miss Anderson, Ezell and Tindler will give an entertainment Wednesday afternoon at 2:30.

Wednesday night at 7:30 the pupils of Miss Webb will give a piano recital.

Thursday afternoon at 2:30 the junior pupils of Miss Webb will give a piano recital, together with the first grade pupils of Miss Brashear.

Thursday night the address to graduates and awarding of diplomas by Rev. Eberhardt, of Danville.

### "THE PURITAN"

MODERN AND SANITARY ICE CREAM

Parlor and Luncheonette To Open

Friday At One O'clock.

With our limited vocabulary it would indeed be hard to do justice to the beautiful Ice Cream parlor to be known as "The Puritan" opened by our public spirited citizen, Mr. J. S. Haselden tomorrow at one o'clock. To attempt to describe this artistic, sanitary and altogether beautiful shop is beyond us, other than to say there is nothing in Lexington or any other Central Kentucky town that will compare with it.

The chairs and opalite tables are things of beauty, the soda fountain is built of fine Italian marble and trimmed with mahogany, finished with German silver and is the latest thing in soda fountains, being built by the largest Soda Fountain factory in the United States, The Liquid Carbonic Company of Chicago.

The electric fixtures are the indirect type and certainly illuminate this beautiful room to perfection, we might also state that the fixtures are the very latest style of electric fixtures and were furnished by the New York Electric Fixture Co. being especially designed for this place.

He has also installed the very latest chocolate candy refrigerator, something out of the ordinary for a town of this size. This refrigerator being designed especially for candies and will keep it as fresh as they were the day they left the factory.

The color scheme of this new and up to date place is certainly well carried out from the steel ceiling to the floor and we certainly congratulate him on his idea of decorations.

Mr. Robt. Walters one of the best soda water dispensers in the State will have charge of the fountain and any one that knows "Bob" can well understand and congratulate Mr. Haselden on his choice of a man to take this position.

The Luncheonette—Sandwiches and salads of all kinds will be served and special lunches ready prepared for automobile parties or picnics.

We overlooked the fact that he has installed an all-day electric lighting and cooling system and while Lancaster needs an all-day electric current Mr. Haselden has the electric fans already installed on his own system of 24 hours current of electricity.

The half has not been told, go to his opening Friday at one o'clock and you will be certainly surprised that a place like this is located in a town of this size.

### SUNDAY SCHOOL

County Convention Next Saturday.

An unusual interesting program has been arranged for the union County Sunday School Convention, which will be held at the Christian church in this city next Saturday, beginning promptly at 9:30 A. M. Besides being very instructive these conventions have always proven interesting and it is thought that every Sunday school in the entire county will have delegates at this meeting.

### SPLENDID AVERAGE

FOR NAVAL ACADEMY APPLICANT.

Mr. Lucien M. Grant, of this city, was recently appointed an alternate to the Naval Academy, by Hon. Harvey Helm and he was ordered to Lexington for examination last month and while the examinations are very rigid indeed, Lucien got by with an average of ninety. Mr. Grant is a recent graduate of the High School here and was considered one of the brightest pupils in his class.

We are all proud of Lucien and hope he may land the position for which he aspires and for which he is so well fitted.

### LANCASTER KNIGHTS

Enjoy Danville Conclave.

The Lancaster Knights that attended the Conclave at Danville last week are very enthusiastic over the entertainment they received at the hands of the good people of Danville and all say they never attended a conclave that was more enjoyable. The social features of the conclave were very enjoyable indeed and all who attended report a delightful time. Danville was in gala attire and every business house and many of the residences were elaborately decorated for the occasion with the colors of the Templars, and nothing was left undone for the entertainment of the visiting Sir Knights. Some of the Knights who attended from this place were: Messrs J. R. S. G. and J. S. Haselden, J. W. Sweeney, W. O. Rigney, W. S. Hopper, D. A. Thomas, Henry Simpson, Dr. J. B. Kinnaird, Dr. B. C. Rose, Hogan Ballard, Tom Chesnut, J. L. Gill, W. B. Mason, J. Rockwell Smith, H. V. Bastin and J. E. Robinson.

### COMMERCIAL CLUB

TO CAMPAIGN FOR MEMBERS

One of the greatest assets that a city can have is a real live, active and energetic commercial club, organized solely for the development of the town and county. The commercial club that was organized here about one month ago, is already making itself felt and is putting Lancaster on the map. Every one must admit but for the work and organization of this club, we would never have been able to secure permanently, the Boone Highway and while we failed to get either branch of the Dixie Highway, we are right in line for the "Dixie Short Route" and with a little effort on the part of the members of the Commercial Club and every citizen of the town whether a member of the club or not, we should land this route, which is claimed will be two hundred miles shorter than the Eastern or Western route that has already been located. Now what the Commercial Club needs is more members and at its last meeting it was decided to start a membership campaign and it will send out a committee to wait on every business man in the city and urge that he become a member of the club. Don't give these members a deaf ear, the Commercial Club needs your influence and support and you need the influence of the club. There are several very important things up before the club now, that should interest every citizen of the town: namely, the municipal ownership of the Electric Light Plant, the telephone franchise, telegraph operator, with office on public square, better train service to Lexington and the Rural Survey that is being made of the county, which we doubt very few know the real importance and the great benefit Lancaster will derive from it when the survey is completed.

Organization in the city is to keep pace with organization with rural interests. This club hopes some day to see a county farm demonstration agent located in the county. In many localities such agents have been secured through the activities of the commercial clubs, rather than through rural co-operation. The work of commercial clubs is essentially in the broad interest of the community as a whole. It is made up of men in different lines of business, of bankers, grocers, druggists, dry goods merchants, doctors, lawyers and ministers and with some progressive farmers. Naturally you can see why such an organization must work for the general good of the community and along the lines in which its members have common interests. The ultimate influence of such a group of citizens, constantly co-operating together towards community development and betterment, is far reaching.

The club now has a membership of twenty-five and they are very anxious to double this before their next meeting. Won't you help?
